

Choose **LightningChart JS License** based on the size of your team (1, 5 or 10 developers) and the period of subscription (1 or 2 years), during which you will receive product updates (NOTE: all single developer licenses are **perpetual**):

Team size	Subscription* duration	Support Tickets Included	Price
1 Developer	1 year	2	\$ 790
	2 years	4	\$ 1150
5 Developers	1 year	5	\$ 2990
	2 years	10	\$ 4350
10 Developers	1 year	10	\$ 5980
	2 years	20	\$ 8850

**Subscription duration indicates the time, during which you will receive updates. Subscription expiration ends this service. You can extend it by purchasing a subscription renewal.*

You can also purchase **additional domain and support tickets** separately:

Product	Quantity	Price
Additional Domain	1 domain	\$ 300
Additional Support Tickets	5 tickets	\$ 500

Additional Terms

- 1. Renewals -50%:**
 Renewal for **1 year** = **50%** of the **1-year** subscription price of this product.
 Renewal for **2 years** = **50%** of the **2-years** subscription price of this product.
You are eligible to renew your subscription at a reduced rate before 3 months period has elapsed from expiry date of old subscription. Renewal extends the subscription from the expiry date of old subscription.
- 2. Application developer / Enterprise licenses:** The type of license needed when it is intended to develop re-distributable web and mobile applications and SaaS for your customers that will integrate the LightningChart JS library. This type of license is also suitable for when your organization needs an Enterprise license. For more info, please contact us.
- 3. Source Code:** available only with Enterprise licenses.
- 4. Community License:** free of charge for studying, personal use, non-commercial public websites.
- 5. LightningChart JS Web Developer** licenses include 1 Deployment Domain.
 5 and 10 developer packs also contain 1 Deployment Domain.
Please contact sales@arction.com if you have any questions or need custom license solutions.
